5.	Volume-1, 33kV Circuit Breaker	We have observed that in the Section-3, Evaluation and Qualification Criteria of Volume 1 of 3 of the bidding document, only 33kV Vacuum Circuit Breaker is there. But studying the 3 volumes of the bidding documents as a whole it seems to us that 33kV Vacuum and Sf6 Circuit Breaker both will be needed to supply and install. Please clarify whether the bidder has to submit the required documents for 33kV Vacuum Only?	The bidder has to submit the required documents for qualifying against 33kV Vacuum and 33kV SF6 Circuit Breaker separately.	N
6.	Volume 3/ Price Schedule	We have observed that the Price Schedule found in the Power Grid Bangladesh PLC website has 06 (Six) Schedules. But the Price Schedule attached in the Volume 3 of 3 of the Bid Document hard copy has only 01 (One) Schedule. Please Clarify this mismatch.	The bidder is requested to follow the price schedule (Excel file) uploaded in the Power Grid Bangladesh PLC website.	Y
